De Hoop Nature Reserve Map

De Hoop Nature Reserve is a protected natural area in South Africa's Western Cape Province, located in the Overberg region about three hours from Cape Town and close to Cape Agulhas, the southernmost tip of Africa.

Managed by CapeNature, it is one of the largest conservation areas in the province and forms part of the UNESCO-listed Cape Floral Region Protected Areas World Heritage Site.

The reserve is also connected to the De Hoop Marine Protected Area, which extends three nautical miles offshore and helps protect the region's rich marine ecosystem.
